### PROJECTS

#### FULLSTACK, ON-LINE SHOP Online-Shop

Developed a modern eCommerce site using React and NodeJS, featuring a fully responsive design and advanced functionality. Implemented a comprehensive admin dashboard for managing products, user permissions, and order tracking. Integrated secure user authentication and a flexible product management system, improving overall site performance and user experience. Successfully created a seamless shopping experience with intuitive navigation and detailed analytics.

#### FULLSTACK, JavaScript and CSS Portfolio Portfolio

Developed a portfolio with seven responsive landing pages using HTML, CSS, and Bootstrap. Focused on user experience, interactive elements, and seamless design across devices.

### WORK EXPERIENCE

#### Sales and Customer Service Representative, Max Credit Company

2019-2023

Achieved top performance in loan and credit card sales while delivering exceptional customer service. Established strong client rapport through excellent communication and persuasion skills, resulting in high satisfaction rates. Collaborated effectively with team members, contributing to overall success and maintaining a supportive work culture.

#### Financial Services Representative

2016-2019

Worked with business owners to provide state-guaranteed loans, leveraging financial expertise to address unique needs. Built and maintained long-term client relationships, ensuring satisfaction and trust in a fast-paced financial environment.
